In Westchester, Bowling to Celebrate Forever Families and Support a Local Charity

On Sunday, April 3rd, Forever Families Through Adoption (FFTA) held a very special “Family Bowling Party” fundraiser to celebrate the 10th Anniversary of the Rye Brook-based agency, hosted at the Scarsdale Golf Club bowling alley. In attendance were many FFTA “forever families”, along with staff, members of the Board of Directors, friends and FFTA supporters. Families came from near and far to celebrate FFTA and all their accomplishments in the past 10 years. FFTA was appreciative to have received donated raffle prizes. Delicious food and desserts were generously donated by Rye Ridge Deli, A&S Deli, John’s of Arthur Avenue, Westchester Burger Co. and Starbucks all in Rye Brook, Neri’s Bakery, Regent Pizza & Pasta, Longo’s Park Deli, IncAzteca Peruvian Restaurant and Franks Italian Restaurant all in Port Chester and California Pizza Kitchen in Scarsdale. Funds raised continue to support the agency’s passion for finding children their “forever families through adoption”, as well as to help fulfill FFTA’s mission to provide free education, awareness and outreach programming to hospitals, schools, prisons, medical and mental health clinics, and other local community based service organizations, in addition to serving prospective adoptive parents, expectant parents, adoptees and adoption professionals. FFTA is looking ahead at an exciting new year; having achieved successful Hague intercountry adoption reaccreditation through June 2021, expanded services both domestically and abroad, and with a continued commitment to giving back to the local community, there is much to be excited about.
